

Creative Self-Management

Unlock Your Creative Potential: Embrace Innovation and Self-Management!

In this course, we will explore how creativity helps organizations thrive. Imagine a place where everyone shares ideas, rules are flexible, and new concepts flourish. We'll apply these concepts to real situations. Through hands-on activities, you'll learn to manage your creativity and drive growth in your organization.

We will focus on four key areas of creativity:

- Person: Everyone has creative potential.
- Process: We will embrace new management methods.
- Place: We will create an environment that supports creativity.
- Product: We will aim for innovation in our ideas and products.

This course will be delivered online. Get ready to embark on a journey of self-discovery and empowerment. Your creative potential knows no limits—let's unleash it together!
